

Quaidian Mathematical society

Calendar 2025-26

Mission

The Quaidian Mathematical society is committed to foster innovation, creativity and communication excellence among students. Through hands on workshop, seminar and co-curricular activities and promote student leadership. Highlights the department achievement and strengths to attract new students and opportunities. Develop mentorship program that pair senior students with junior students. Inviting alumni and industry professionals to share their experiences and provide guidance.

Vision

- To create a vibrant community of mathematicians that fosters excellence in research, education, and innovation, and inspires future generations of mathematicians.
- To bridge the gap between theoretical mathematics and practical applications, and to provide a platform for students, faculty, and industry professionals to collaborate, learn, and grow.
- To identify, nurture, and support mathematical talent among students, and to provide opportunities for them to develop their skills, showcase their work, and connect with peers and mentors.
- To build a vibrant, inclusive, and supportive community of mathematicians that values diversity, promotes collaboration, and celebrates the beauty and importance of mathematics.

Executive council

- ❖ President: Hasnain Khan Niazi
- ❖ Vice President: Mehran
- ❖ General secretary: Furqan
- ❖ Finance secretary: Salman Haider
- ❖ Information secretary: Zeeshan
- ❖ Joint secretary: Majid

Domain Leaders

- ❖ Sport Secretary: Usama Sikandar
- ❖ M.Phil. and PHD coordinator: Meerub Qureshi
- ❖ Legal advisor: Fahim Marwat
- ❖ BS Coordinator: Hafsa
- ❖ BS Boys coordinator: Sattar
- ❖ BS Girls Coordinator: Aiman Zaheer
- ❖ Media: Arfa
- ❖ Stage Secretary: Mazhar
- ❖ Stage Secretary: Muslim
- ❖ Stage secretary: Nimra
- ❖ Event coordinator: Kashif Hussain
- ❖ Media: Muskan

Events

Students will showcase their mathematical talents and skills. The event aims to promote mathematical excellence and foster a community of math enthusiasts within the department.

✓ **Society Meeting**

Society will hold a monthly meeting. The meeting aims to discuss plans and strategies for the department's future growth and student development.

Expected day: One day every month.

✓ **Iftari Gathering during Ramadan**

A spiritual and social gathering for members and department students during the blessed month of Ramadan. We will break our fast together and enjoy a sense of community.

Expected date: 13th March

✓ **Recreational Trip**

A fun-filled day of exploration and team-building for QMS members and department students. This trip is designed to promote bonding and relaxation outside the academic setting.

Expected dates: 28 April – December.

✓ **Film Screening**

A screening of a film that showcases the power and beauty of mathematics, highlighting its relevance and inspiring others to appreciate the subject.

Expected date: 13th May

✓ **Annual Dinner**

An annual dinner event for members and department students, celebrating the achievements of the year and fostering a sense of community within the department.

Expected dates: April-Junes

✓ **College Visits**

Visits to various colleges to promote the department and its activities. The purpose of these visits is to strengthen ties with other institutions and showcase the achievements of our students, while inspiring and motivating others to explore the world of mathematics.

Expected Month: November.

✓ **Seminar**

Organizing a seminar to promote mathematics and its significance in our daily lives. The seminar will cover the historical development of mathematics and its role in raising social awareness. To organize seminars and workshops focusing on career paths, job opportunities, and scholarships in mathematics to inspire and motivate students.

Expected Month: Every Month.

✓ **Sports-Gala**

A sport gala will be organized for the department students. The event will feature various sports competitions, games, and activities.

Expected Month: October

✓ **Fun Fair and Character Day**

A vibrant celebration of cultural diversity at our university's Fun Fair and Character Day. The society invites students from all departments and communities to come together and showcase their unique traditions, food, and attire, celebrating the rich cultural heritage within the university.

Expected Month: October.

✓ **Educational Visit**

A study visit to the National Assembly and National Centre for Physics (NCP) has been arranged for students. This visit aims to provide insight into Pakistan's legislative system and cutting-edge physics research.

Expected Month: September.

✓ **Math Rodha**

A Mathematics Competition is being organized for students. The event aims to promote problem-solving skills and mathematical thinking.

Expected day:

✓ **Knowledge Konnect**

To organized daily, featuring renowned speakers sharing insights on various topics.

Expected day: Every Friday

✓ **Departmental Workshop**

Empowering Students with Essential Skills to learn MATLAB, Mathematica, Python, and more! Enhance your computational skills and stay ahead in your academic journey.

Expected date: Every Month

✓ **Culture Day**

Showcasing Provincial Traditions, Music & Attire.

Expected day: November

✓ **Seerat-ul-Nabi**

Understanding the Prophet's life, teachings and messages.

✓ **Sports festival**

To organize mega sports gala of different natural science departments.

Expected day: September

✓ **Olympiads**

To organize olympiads at the national level.

Expected day: October

QMS 25
